MICROSOFT TERMS

The provisions of these Supplemental Terms relate to use of Microsoft Azure Machine Learning by the Customer using functionality of the Combined Solution that includes machine learning.   As to such use the Customer agrees as follows:

Privacy and compliance with laws.
      a. Customer consents to the processing of personal information by Microsoft and its agents to facilitate the subject matter of this agreement. Customer will obtain all required consents from third parties (including Customer's contacts, affiliates, contractor agents, distributors, administrators, and employees) under applicable privacy and data protection law before providing personal information to Microsoft.

      b. Personal information collected under this agreement (1) may be transferred, stored and processed in the United States or any other country in which Microsoft or its service providers maintain facilities and (2) will be subject to the privacy terms specified in the Use Rights. Microsoft has agreed to abide by the requirements of European Economic Area and Swiss data protection law regarding the collection, use, transfer, retention, and other processing of personal data from the European Economic Area and Switzerland.

      c. U.S. export. Products, Fixes, and Services Deliverables are subject to U.S. export jurisdiction. Customer must comply with all applicable international and national laws, including the U.S. Export Administration Regulations, the International Traffic in Arms Regulations, and end-user, end use and destination restrictions by U.S. and other governments related to Microsoft products, services, and technologies.
